ADA CDT Coding
Collection Series

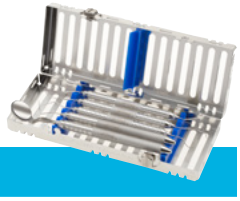

Infection Prevention and Instrument Management

Start pairing patients and insurance codes more effectively with procedural instrument kits that follow American Dental Association (ADA)—Current Dental Terminology (CDT) Coding.

Begin each preventative appointment with an Evaluation Kit and add the supplemental treatment kit based on the patient assessment. Each kit is uniquely color-coded with a compact cassette for ensured equipment compatibility and safety.

IM-D0120/80

DID YOU KNOW?

Anna Pattison Curettes are modified from the original Gracey Curettes. They have shorter, thinner, smaller blades honed at a 60 degree angle with a modified rigid shank specially designed to allow easier access and easier insertion under tight tissue.
