THE ALLEN ORAL PLASTIC SURGERY KIT

This specialized surgical kit provides precision micro-instruments specifically designed for today's minimally invasive soft tissue grafting procedures. Surgical applications include soft tissue augmentation, root coverage, vestibular extension, stabilization of mobile marginal tissue, and ridge augmentation.

DR. ALLEN is the former president of the American Academy of Esthetic Dentistry, the American Academy of Restorative Dentistry and the American Academy of Periodontology Foundation. He currently serves as the Periodontal Section Editor for the Journal of Esthetic Dentistry and serves on the Editorial Boards of the Journal of Periodontology and the International Journal of Periodontics and Restorative Dentistry.

Dr. Allen received the Distinguished Alumnus Award from the Baylor College of Dentistry Periodontics Residency Program, the Master Clinician Award from the American Academy of Periodontology and the Best Teacher Award from the American Academy of Esthetic Dentistry. Dr. Allen is the Founder and Director of the Center for Advanced Dental Education in Dallas, Texas where he teaches surgical technique courses. He has published over 50 articles in the area of esthetic surgery and continues to present numerous lectures and surgical demonstrations worldwide.

DR. EDWARD P. ALLEN, D.D.S., PH.D.

PART CODE	DESCRIPTION
IMN4160	16 Instrument Infinity Series Cassette
SYRCW	CW Aspirating Anesthetic Syringe

BASIC ORAL SURGERY KIT

KARL KOERNER

has presented hundreds of lectures and interactive courses in oral surgery at international, national,

regional and state level meetings over the last 20 years. As a general dentist, he has limited his practice to oral surgery [and implantology] for the last 15 years.

Dr. Koerner, a graduate of the University Of Washington School Of Dentistry, completed a general practice residency in the U.S. Army and holds a Master's Degree in Education.

Dr. Koerner has authored and co-authored a total of four surgery books, written numerous articles on oral surgery for the general dentist, and produced several DVDs on the topic, including some with Dr. Gordon Christensen. He is a past president of the Utah Dental Association and the Utah Academy of General Dentistry. In 2010, the AGD awarded him their highest honor, the Weclaw Award for his service to the dental profession.

DR. STEPHEN WALLACE

received his dental degree from New York University College of Dentistry. He is also a graduate of Boston University School of Graduate Dentistry where he received his Certificate in Periodontics in 1971. He is an Associate Professor in the Department of Periodontics at Columbia University. He is a Diplomate of the International Congress of Oral Implantologists and a Fellow of the Academy of Osseointegration. Dr. Wallace lectures on subjects relating to implant dentistry both in the United States and abroad. He has authored over 40 peer-reviewed papers relating to implant dentistry, contributed numerous text book chapters, and has co-edited a textbook on maxillary sinus elevation surgery. He has helped develop the world's largest database on maxillary sinus elevation. Dr. Wallace has recently received the 2013 American Academy of Periodontology Master Clinician's Award for outstanding service and level of practice. He maintains a private practice, specializing in periodontics and implant dentistry, in Waterbury, Connecticut.
