BEWLEY ORAL SURGERY KIT

Instrumentation and
Procedural Products

This specialized surgical kit features Dr. Jeremy Bewley's complete oral surgery set-up. This collection of instrumentation is expertly assembled for various types of oral surgery procedures to help you be **The Best in Practice.**

JEREMY D. BEWLEY, DMD, DICOI

Dr. Bewley is a 2nd generation dentist, receiving his dental degree from the University of Louisville in 2007, and is a Board Certified Diplomate of the ICOI. A Visiting Faculty member for CDOCS.com, Dr. Bewley loves sharing his passion for implant therapy and dental technology with others. Through educational initiatives such as Integrated Implant Dentistry, Dr. Bewley trains dentists in digital implant workflows and encourages them to provide charitable surgical care through his nonprofit clinic.
