Hu-Friedy Dealers

Hu-Friedy quality products are available through full service dental supply companies around the world. Should you have occasion to write or call us directly, please give us the name and telephone number of your dealer so that we can quickly process your order or respond to your inquiry. An authorized dealer listing is available upon request. Hu-Friedy reserves the right to make product changes and change product specifications, prices or designs at any time without incurring any liability whatsoever. All prices are stated in U.S. dollars.

Product Quality Guarantee – In General

Limited Lifetime Warranty for Hu-Friedy Products

The warranties for some Hu-Friedy products are specifically described below, after the “Limitations On All Warranties” section of this page.

All other Hu-Friedy instruments provide a warranty against defects in materials and workmanship for the **expected life** of the product. Hu-Friedy will, at its option, repair or replace any product that fails as a result of any such defect. Hu-Friedy guarantees against breakage, joint failure, and corrosion under normal use.

“Expected life” means the life of the product under ordinary use, which varies by type of instrument. Please call Hu-Friedy Customer Care at 1-888-TecTech (1-888-832-8324) with questions about the expected life of any Hu-Friedy product.

Please note the following:

- Instruments that show wear from normal use are not considered to be defective and will not be covered by the warranty.
- Sharpening and repairing minor tip damage are considered routine maintenance, and are not covered by warranty.

2017 RETAIL PRICE LIST

- Modifying or retipping an instrument or failure to provide proper instrument care, including proper cleaning and maintenance, may void this warranty.

WARNING: Do not expose resin or silicone handles to solutions containing phenols, gluteraldehydes, iodophors, dry heat or chemical vapor sterilization. See manufacturer's recommendations for your cleaning system.

Limitations on All Warranties

HU-FRIEDY DISCLAIMS LIABILITY AND IS NOT RESPONSIBLE FOR THE PERFORMANCE OR REPLACEMENT OF ANY PRODUCT THAT HAS BEEN MISUSED, TAMPERED WITH, MODIFIED, RETIPPED OR REFITTED IN ANY MANNER OR IS BEYOND ITS EXPECTED LIFE.

HU-FRIEDY DISCLAIMS LIABILITY, UNDER ANY APPLICABLE WARRANTY OR OTHERWISE, FOR DAMAGES ARISING FROM (1) THE USE OF COMMERCIAL/ RESIDENTIAL GRADE WASHERS; (2) THE USE OF DENTAL AUTOMATED WASHER-DISINFECTORS WHERE MANUFACTURER'S PROCESSING GUIDELINES ARE NOT FOLLOWED; (3) THE USE OF CLEANING SOLUTIONS, CHEMICALS AND/OR PROCEDURES THAT ARE CONTRARY TO HU-FRIEDY'S RECOMMENDATIONS; (4) IMPROPER SET-UP AND/OR INSTALLATION OF ANY PRODUCT; AND/OR (5) FAILURE TO FOLLOW HU-FRIEDY'S VALIDATED INSTRUMENT REPROCESSING INSTRUCTIONS (HF-USA-17664).

THE EXPRESS WARRANTIES DESCRIBED HEREIN ARE THE EXCLUSIVE WARRANTIES AND ARE PROVIDED INSTEAD OF ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, OR ANY OTHER WARRANTY, EXPRESS OR IMPLIED, EXCEPT WARRANTIES OF TITLE AND INFRINGEMENT. EXCEPT AS SET FORTH HEREIN, DAMAGES FROM BREACH OF SUCH WARRANTIES ARE LIMITED TO THE COST OF REPAIR OR REPLACEMENT OF THE PRODUCT, AT HU-FRIEDY'S SOLE OPTION. CONSEQUENTIAL OR INCIDENTAL DAMAGES RESULTING FROM BREACH OF ANY APPLICABLE EXPRESS OR IMPLIED WARRANTIES ARE HEREBY EXCLUDED.

Full Satisfaction Guarantee – Ultrasonic Scaling & Air Polishing Products

If a dental professional is not satisfied, for any reason, with a Hu-Friedy ultrasonic scaling or air polishing product, simply return it within the first 30 days after purchase as a new item to Hu-Friedy with the Dealer invoice for product exchange or full refund. This special full satisfaction guarantee is in addition to the product warranty against defects, described in the general product quality guarantee section above.

WARNING: Do not expose resin or silicone handled ultrasonic inserts to solutions containing phenols, gluteraldehydes, iodophors or to dry heat sterilization. Use steam sterilization (autoclave) only for Swivel™, Swivel Direct Flow™, Streamline®, Streamline Direct Flow™ and PLUS inserts. Not compatible with automated washers. See instructions for use for appropriate power levels to use for ultrasonic inserts based on tip design.

Hu-Friedy EMS Device Warranty

Hu-Friedy, at its sole option, will repair or replace for a period of one year following the date of the first purchase as a new item, any Hu-Friedy EMS unit ("Unit") or Hu-Friedy EMS handpiece ("Handpiece") that fails as a result of a defect in materials or workmanship. Purchaser must return the defective product (postage prepaid) and must provide Hu-Friedy with the warranty registration card or proof of purchase.

Excluded from this warranty are damages in cases of:

- The Unit or Handpiece having been used outside of normal operating conditions;
- The Unit or Handpiece being damaged in transit;
- Non-compliance with the manufacturer's installation instructions (water pressure, air pressure, mains voltage);
- Use with an electrical system that does not comply with regulations in force;
- Uses other than those specified in the user manual;
- Non-compliance with instructions contained in the user manual;
- Service to the Unit or Handpiece being provided by non-authorized persons;
- Components exhibiting normal wear from usage;
- Damages/defects being caused by force majeure or any other condition that is beyond the control of Hu-Friedy;
- The Unit or Handpiece having been modified.

Repair service or replacement provided under the warranty neither extends the warranty period nor begins a new warranty period. Please contact Hu-Friedy for instructions on obtaining warranty service.

Symmetry IQ® Piezoelectric Scaler Warranty

Hu-Friedy, at its sole option, will repair or replace for a period of one year following the date of the first purchase as a new item, any Symmetry IQ® piezo generator unit (“Unit”) or, for a period of two years following the date of first purchase as a new item, any Symmetry IQ® handpiece (“Handpiece”) that fails as a result of a defect in materials or workmanship. Hu-Friedy will provide a loaner unit while the unit is being replaced or repaired. Purchaser must return the defective Unit (postage prepaid) and must provide Hu-Friedy with the warranty registration card.

Excluded from this warranty are damages in cases of:

- The Unit or Handpiece having been used outside of normal operating conditions;
- The Unit or Handpiece being damaged in transit;
- Non-compliance with the manufacturer’s installation instructions (water pressure, mains voltage);
- Use with an electrical system that does not comply with regulations in force;
- Uses other than those specified in the user manual;
- Non-compliance with instructions contained in user manual;
- Service to the Unit or Handpiece being provided by unauthorized persons;
- Components exhibiting normal wear from usage;
- Damages/defects being caused by force majeure or any other condition that is beyond the control of Hu-Friedy;
- The Unit or Handpiece having been modified.

Repair service or replacement provided under the warranty neither extends the warranty period nor begins a new warranty period. Please contact Hu-Friedy for instructions on obtaining warranty service.

SWERV³ Magnetostrictive Scaler Warranty

Hu-Friedy, at its sole option, will repair or replace for a period of two years following the date of the first purchase as new item, any SWERV³ Magnetostrictive Scaler ("Unit") that fails as a result of defect in materials or workmanship. Hu-Friedy will provide a loaner while the device is being replaced or repaired. Additionally, Hu-Friedy, at its sole option, will repair or replace for a period of one year following the date of the first purchase as a new item, any SWERV³ Handpiece ("Handpiece") that fails as a result of a defect in materials or workmanship. Purchaser must return the defective Unit or Handpiece (postage prepaid) and must provide Hu-Friedy with the warranty registration card or proof of purchase.

Excluded from this warranty are damages in cases of:

- The Unit or Handpiece having been used outside of normal operating conditions;
- The Unit or Handpiece being damaged in transit;
- The Unit or Handpiece having been modified;
- Non-compliance with the manufacturer's installation instructions (water pressure, air pressure, mains voltage);
- Use with an electrical system that does not comply with regulations in force;
- Uses other than those specified in the user manual;
- Non-compliance with instructions contained in the user manual;
- Service to the Unit being provided by non-authorized persons;
- Components exhibiting normal wear from usage;
- Damages/defects being caused by force majeure or any other condition that is beyond the control of Hu-Friedy.

Repair service or replacement provided under the warranty neither extends the warranty period nor begins new warranty period. Please contact Hu-Friedy for instructions on obtaining warranty service.

Sidekick® Sharpener – Limited Warranty

Hu-Friedy, at its sole option, will repair or replace for a period of one year following the date of purchase, any Sidekick Sharpener that fails as a result of a defect in materials or workmanship. Purchaser must return the defective Sidekick Sharpener (postage prepaid) and must have previously provided Hu-Friedy with the Sidekick warranty registration card.

Orthodontic Warranty

Hu-Friedy, at its sole option, will repair or replace for a period of three years following the date of purchase, orthodontic cutters 678-113 and 678-700 that fail as a result of a defect in materials or workmanship. Hu-Friedy, at its sole option, will repair or replace for a period of seven years following the date of purchase, any other orthodontic cutters that fail as a result of a defect in materials or workmanship. In addition, Hu-Friedy, at its sole option, will repair or replace for a period of ten years from the date of purchase, any orthodontic utility pliers or wire bending pliers that fail as a result of a defect in materials or workmanship.

IMS® Cassette Limited Warranty

Hu-Friedy, at its sole option, will repair or replace, for a period of four years following the date of purchase, any IMS® cassette that is defective because of failure of materials (including corrosion) or workmanship of the cassette shell. Hu-Friedy, at its option, will also repair or replace, for a period of one year following the date of purchase, any, IMS® cassette that is defective because of failure of materials or workmanship of the internal and moving components. Purchaser must return the defective cassette (postage prepaid) and must have previously provided Hu-Friedy with the warranty registration card.

HU-FRIEDY DISCLAIMS LIABILITY, UNDER THIS WARRANTY OR OTHERWISE, FOR DAMAGES ARISING FROM (1) USER NEGLIGENCE, MISUSE, ABUSE OR ALTERATIONS TO THE CASSETTE; (2) THE USE OF COMMERCIAL/RESIDENTIAL GRADE WASHERS; (3) DENTAL AUTOMATED WASHER - DISINFECTORS WHERE MANUFACTURER'S PROCESSING GUIDELINES ARE NOT FOLLOWED; AND/OR (4) IMPROPER SET-UP AND INSTALLATION OF THE DEVICE.

Care Instructions for IMS cassettes can be found on the instrument processing insert included with each cassette and in the approved Instrument Reprocessing Guide on **Hu-Friedy.com**.

Shipping Charges

Our standard methods of shipment are UPS ground, U.S. mail, or truck (for larger orders). Charges for any method of transportation will be based on the carrier's published rates. Charges will appear on the invoice unless otherwise specified by the dealer. Please speak with your Dealer for drop ship fee details.

2017 Office Set-Up Rebate Program

Hu-Friedy offers a special program for dental professionals (including specialty practices) setting up a new practice or expanding an existing practice (excluding group practice, educational programs, government, military bases, VA hospitals and other institutional accounts).

Please refer to our website at Hu-Friedy.com/Special10Rebate for details.

Exclusions: Educational programs, military, government, VA hospitals, formulary accounts or other institutional accounts are not eligible for a rebate. The following products are not eligible for this offer: Hu-Friedy Bundling Part Codes, Infinity Series™ Collection Kit, Signature Series® Collection Kits, Hu-Friedy EMS units, SWERV[®] scaling units and Piezon handpieces.

Hu-Friedy HUSAVESM Savings Program

Hu-Friedy is proud to offer the HUSAVE Savings Program

The HUSAVE Savings Program provides significant discounts with the added optional convenience of an automatic shipping schedule. The HUSAVE Savings Program includes sutures, sterilization products, Pedo Crowns, disposable prophylaxis angles, cleaning and care products, water treatment products and other disposable products. For further discount details and a complete list of products available on the HUSAVE Savings Program, please call 1-866-HUSAVE3 or visit Hu-Friedy.com/rewards/HUSAVE.

Product Development

We welcome ideas and product innovations for consideration. Please do not submit any new product ideas until signing and returning the Hu-Friedy Policy on Ideas Submitted by Persons Outside of Hu-Friedy. This form (part code HF-306) is available by calling Hu-Friedy Customer Care.

Special Order Instruments

At Hu-Friedy, we listen to our customers' needs by continuously introducing new and innovative products. There may be times, however, when you need a special configuration of a desired handle/tip selection (or school pattern) that is not part of our standard line. In these cases, we may manufacture instruments on a special order basis. All special order designs are the property of Hu-Friedy. Price quotations are available upon request.

- We require a minimum order of six instruments.
- Please allow eight weeks for delivery.
- Any modification to an existing standard Hu-Friedy instrument is non-returnable, i.e. serrations, Perma Sharp® instruments, laser marking, thinning, ID marking.

Submit all special order requests to: Hu-Friedy Customer Care.

Custom Design Instruments (Hu-Friedy Brand Only)

Hu-Friedy is a leader in the development, manufacturing and distribution of quality dental instruments as well as products and services related to their use, maintenance and management. We will be pleased to provide a quotation for a custom-designed instrument. All custom designs remain the property of Hu-Friedy. To receive a quotation for a custom instrument, please provide:

- An actual sample and/or a detailed written description which includes all dimensions and measurements: bend angle(s), point width(s), radius(i), bevel angle(s), handle design, special material requirements, etc.
- Payment of an initial \$500 prototype fee is due after written approval of the price quotation. Additional prototyping set-up fees may be required up front should new tooling or turnings be required. Prototype set-up fee(s) are non-refundable. Subsequent orders (more than two years) after the initial order are subject to additional prototyping charges.

Submit all custom design requests to: Hu-Friedy Customer Care, 1-800-Hu-Friedy (1-800-483-7433). Although Hu-Friedy endeavors to satisfy reasonable requests for custom designs, we reserve the right to reject any proposed custom design in our discretion. We require a minimum order of six instruments. Please allow 10-12 weeks after prototype approval for production and delivery.

NOTE: Prototypes can take 10-12 weeks to be created.

Tamper-Evident Packaging

To help ensure that our products are of the finest quality, we use tamper-evident and/or see-through packaging for most products. This packaging should minimize the need for packages to be opened for inspection.

Special Exceptions on Replacement

Some unique products require special care and handling or have a limited useful life. Validated instrument reprocessing instructions can be found in document HF-USA-17664, which can be found on Hu-Friedy.com. The following products will not be repaired or replaced unless a manufacturing defect is present or the product has not been used.

■ **Anodized Aluminum (Felts and Goldsteins):**

Special care needs to be exercised in cleaning and sterilizing these coated aluminum instruments. Do not clean in an ultrasonic unit, commercial/residential grade washer or dental automated washer. Check product labels for caution about use with aluminum. Sterilize in autoclave under 350°F or 177°C according to manufacturer's instructions. The use of an iodophor solution is not recommended, as iodophors are destructive to aluminum. Note also that anodized aluminum instruments when sterilized with stainless steel instruments may cause an adverse chemical reaction.

■ **Black Line Instruments & Scissors:**

Black Line instruments must be handled with care to avoid scratching and chipping. The product will not be repaired or replaced due to scratches and chips, unless there is a manufacturing defect present or the product has not been used.

2017 RETAIL PRICE LIST

■ **Carbon Steel Instruments:**

Carbon steel instruments are naturally prone to corrosion and require special cleaning and sterilization. These instruments must be separated from stainless steel instruments throughout the cleaning and sterilization process. If processed together, the carbon instruments will likely create cross-corrosion of the stainless instruments. Carbon steel instruments should be thoroughly dried prior to sterilization to prevent rusting and/or corrosion. Use a protective rust-inhibitor before sterilization.

■ **Colorvue® Probes:**

Special care must be exercised in cleaning these bright and distinctly marked bands. Do not use phenolic disinfectant solutions or Dri-Clave VK-1. All other appropriate disinfectant/sterilization methods are acceptable. Do not heat above 350°F or 177°C. (Colorvue Probes are a multi-use disposable product. Markings will wear with normal use.)

■ **Implacare® & Implacare® II Scaling Tips:**

Special care must be exercised in cleaning and sterilizing these unfilled resin implant scaling tips. Do not use phenolic disinfectant solutions or Dri-Clave VK-1. All other appropriate disinfectant/sterilization methods are acceptable. Do not heat above 350°F or 177°C. (Implacare and Implacare II are single-use, disposable products.)

■ **Rainbow Pedo Forceps:**

The special finish on forceps (F150SR and F151SR) must be handled with care to avoid scratching and chipping. The product will not be repaired or replaced due to scratches and chips, unless there is a manufacturing defect present or the product has not been used.

■ **Sterilization Containers:**

Must be cared for properly. Please see Sterilization Container Instructions for use.

U.S. Ortho/Surgical Warranty Program
